

# SCHOFIELD ARMY BARRACKS

Honolulu, Hawaii

## Project Statistics

- This five-story project includes two main buildings, each with 100 residential units.
- Nudura forms enhanced the structure's strength, longevity and energy efficiency, offering a performance value up to R-46 and achieving 46.7% energy savings compared to ASHRAE 90.1-2004 standards.
- This method was 10-25% faster than CMU or cast-in-place construction. The concrete core in Nudura forms reduced sound vibrations.

<b>Type:</b>	Government and Military Building
